# EIGHT GABLES INN

Experience Eight Gables...the coziness, friendly atmosphere and privacy of our Country Inn.

Eight Gables Cottage which lies adjacent to the main Inn and connected by gardens, steps and flagstone walkways features four guest rooms, our massage therapy room, a small group meeting area in addition to a larger conference room that will seat 20 - 25 in a business setting for a company seminar. The lovely garden area with a gazebo and water fountains makes an ideal setting for small memorable weddings.

For the perfect bed & breakfast getaway, Eight Gables is the answer. Reserve your accommodations from among twenty luxurious guest rooms which appeal to even the most discriminating tastes. At the foot of the Great Smoky Mountains National Park, Eight Gables' location is easily accessible to all area attractions. Golf courses, shopping, Dollywood, white-water rafting, hiking, motor nature trails and horseback riding are all within five minutes of the Inn. Downtown is a mere two minutes from our location whether you drive or take the trolley, while Knoxville is only thirty miles away.

Eight Gables offers bedrooms with private baths, luxurious living space and has a wrap around covered porch area with rockers, hammocks and swings to relax and enjoy. You will want to make your reservations for the Saturday night romantic candle light dinner. Also, there is ample room and the ideal setting for weddings, reunions, receptions or company seminars.

Come and go as you please and get that "at home" feeling when you stay at Eight Gables Inn. Family owned and operated by Kim & Don Cason.
